ANUP KUMAR SHARMA

Hyderabad, Telangana – 500037 | anupks9705@gmail.com | +91 9347261072 | [LinkedIn] | [GitHub]

Professional Summary

Passionate and technology-driven Computer Science undergraduate with a strong academic foundation in software development, systems design, and networking. Skilled in problem-solving and eager to apply technical knowledge to real-world challenges in a dynamic IT environment as part of a collaborative team.

Education

Bachelor of Technology in Computer Science
St. Peter's Engineering College, Hyderabad, Telangana
Graduating: 2025 | **CGPA**: 7.73/10
Intermediate (12th Grade)
Sree Chaitanya Junior College, Kukatpally, Hyderabad | 2021 | **93.4%**
High School (10th Grade)
Navodaya High School, Srinivas Nagar, Hyderabad | 2019 | **Grade:** 8.8/10

Technical Skills

- **Languages:** Java, C++, SQL.
- **Frameworks & Libraries:** React.
- **Reconnaissance & OSINT:** whois, theHarvester.
- **Web Analysis & Fingerprinting:** whatweb.
- **Operating Systems:** Windows, Linux.
- **Databases:** MySQL, PostgreSQL.
- **Web Technologies:** HTML, CSS, JavaScript.
- **Concepts:**TCP/IP, OSI Model,OOPs.

Projects & Practical Exposure

EmotionEcho – Real-Time Facial Emotion Recognition System
Tools: OpenCV, DeepFace, Python

- Implemented real-time facial emotion recognition from webcam feeds using OpenCV and DeepFace.
- Applied optimization techniques for real-time processing.
- Gained hands-on experience with Python, image processing, and AI security challenges.

Certifications

- **Introduction to Front-End Development** – meta (Coursera), 2024
- **Fundamentals of Java Programming** – Board Infinity (Coursera), 2024
- **Introduction to CyberSecurity** – Cisco Networking Academy, 2024
- **Vulnerability Management** – IBM SkillsBuild, 2025
- **Governance, Risk, Compliance, and Data Privacy** – IBM SkillsBuild, 2025

Additional Skills

- **Effective Communication**: Strong verbal and written communication skills, enabling efficient interaction with stakeholders and team members.
- **Cross-Functional Collaboration**: Proven ability to collaborate effectively in cross-functional teams, working with developers, designers, and product managers to achieve project goals.
- **Problem-Solving & Analytical Thinking**: Skilled in identifying complex issues and applying analytical thinking to develop innovative solutions, ensuring the resolution of technical challenges.
- **Attention to Detail**: Demonstrated commitment to delivering high-quality software with strong attention to detail, ensuring accuracy, consistency, and performance in all deliverables.
